

KK-5044 EGA & EGHV Gun Repair Kit

Note

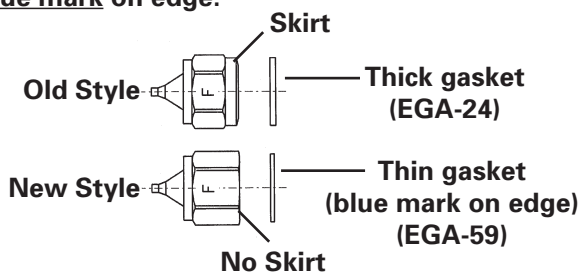

When repairing the old style fan adjustment assembly (see inset), use two washers (Ref. No. 4) and one O-ring (Ref. No. 5). See parts explosion.

Old Style Fan Adjustment Assy.

Fluid Tip & Gasket Note

Kit contains old and new style tip gaskets. Be sure to use the correct gasket according to the fluid tip. For additional identification, the thin gasket has a blue mark on edge.
